books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

There is to be no respite from India-bashing by some foreign publications, not even during a pandemic. As an energetic and fully paid-up critic of India, I bow to no one in my capacity for faulting India, but the relentlessly negative coverage that spews forth from publications such as The New York Times and others reeks of a hostility that
