AC3000.1D - Planet Audio

I have been into car audio for about 22 yrs not professionally but for myself and quality listening. I was a little worried

Download Ebook Planet Audio Car Amplifier Manuals

about this amp for the price. So here it goes I hooked it all up and wow this amp is amazing not good or great but amazing. If you want 1 amp to run your whole system here it is. I have a kicker L3 12 running at 4ohms for the sub.
