### **Shadowrise: Shadowmarch Quartet Book 3 by Williams, Tad ...**

This is the first of a trilogy. Tad Williams is the best writer of fantasy or Science Fiction today. That's my opinion. He is a master of invention and description. If you haven't read his "Otherland" books, you could start there. Anyhow, Shadowmarch is a fantasy novel and the cast of characters is vast and incredibly seductive.

Shadowrise; Shadowmarch: Volume III By: Tad Williams ... I've always enjoyed Tad Williams books. Shadowmarch was very interesting, with good character development. The narrator was a perfect fit for this book - he is a good storyteller and kept my interest through the whole book. I will definitely look for other books he reads.
