Atak Zoraki 918, gas- and signal pistol, in the design of a very famous pistol. Really nice pistol that we selected to take into our product range because it superior quality / reliability. The important parts of the pistol are made of solid steel or steel reinforced material, a detail that you find very rarely even with german manufacturers nowadays.

It's all good. My ONLY complaint is something that actually got corrected in the next model: the knurled wind knob is hard on the fingers. If you want a Zorki 4 with the advantage of rapid-wind then go for the 4K. They're not as handsome because they were later, cheaper models with ribbed cloth coating, but they do have that modern wind lever.
